

Internship Program 2009

Ecoterra Holistic Medicine Shop Myra House Acology Institute

Would you like to impact the local/global community through organic farming, environmental care, and working at a local wellness/produce/health market?

Do you want to strive for a healthier and holistic life in an ecologically sustainable community?

We are looking for 3-4 outstanding candidates for this internship. Qualified candidates should download the Internship Program application from our website and submit it at Ecoterra Health Market, Myra House or Acology Institute.
